SUBJECT INDEX

This is an index to all the reading matter in the ARCHIVES, except the Medical News Department.

The letters used to explain in which department the matter indexed appears are as follows: "E," Editorial; "C," Correspondence; "ab," abstracts; the star (*) indicates an original article in the ARCHIVES.

This is a subject index and one should, therefore, look for the subject word, with the following exceptions: "Book Reviews," "Deaths," and "Societies and Other Organizations" are indexed under these titles at the end of the letters "B," "D," and "S." The name of author, in brackets, follows the subject entry.

For author index see page 760.
